VP Sport

2019 - 2020 Manifesto

- 1. Raise awareness of success and participation.** Raise awareness of sport across campus, increase participation levels and help students discover alternative sporting routes. Highlight successes within sports clubs. Look into creating a sports section on the University of Plymouth mobile app.
- 2. Help committees work more effectively and efficiently.** Provide player well-being advocates continuous support and training throughout the year and develop a support network across clubs. Have social media training for clubs to utilise social media to its full positive potential.
- 3. Developing the community between clubs.** Continue Ben Morris' work- 'Making Wednesdays All About Sport'. Have a 'Performance Team of the Week' and a 'Community Team of the Week'. Team teas: Make it easier to request dietary requirements, continue live scores and display POM to celebrate these individuals.
- 4. Further the work of 'barriers to participation'.** Further the investigations into 'Barriers To Participation' by meeting with student groups. Work with student groups surrounding the benefits of sport, health and mental well-being.
- 5. Raise awareness of participation to Faculties.** Work with Faculties to identify and celebrate students playing sport at weekends or on week days. Create a system for students to highlight if they are still being timetabled academic activities on Wednesday afternoons.
